

KNIGHTSBRIDGE PARADE – LIVE THE LIFESTYLE

The Sovereign Islands on the northern Gold Coast is a billion dollar development, which was started more than 20 years ago and now has a reputation internationally as one of the world's best waterfront residential addresses. The Knightsbridge precinct on Island Six is the most exclusive and upmarket of all the home sites on The Sovereign Island. But, like all exclusive things, only a lucky few can enjoy life on Knightsbridge with just 10 prime North East blocks and eight blocks with South Stradbroke Island shoreline views available for sale. The last two blocks, featuring magical views of the Gold Coast city skyline, are now on the market.

For your opportunity to secure one of the few remaining lots on Knightsbridge telephone Ranine Beaumont on: 0409 031 248.
